Know your limits

Under UK pension rules there are limits on the amount of tax-free cash you can access from your pension plan. The Lump Sum Allowance (LSA) is set at £268,275.00 and payments above this are subject to tax at your marginal rate of income tax. If you'd like more details about these allowances, please visit royallondon.com/pensionallowances.

You've triggered the Money Purchase Annual Allowance (MPAA). The current MPAA is £10,000.00 each year. If you contribute more than this into any pension you'll be liable to a tax charge. Please note that within 91 days you must tell any other providers of plans or schemes to which you contribute, that the MPAA trigger applies to you from **26 November 2025**.
